

Possibilities Employment Team

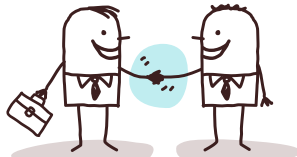

We'll help you for free

PossAbilities

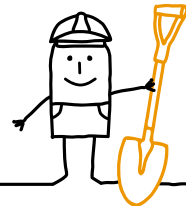

Finding a job isn't easy when you don't know where to start.

We want to help you... and it's free. Together we can get you ready to work.

Together we can get you ready to work.

Getting a job is not easy. It's even harder if you have a disability or a health problem.

That's why we are here to help you. We have helped hundreds of people just like you to become 'work ready' and to find a job.

Having a job can make a big difference to your life. Having extra money is great, you will also become more confident, you will make new friends and have somewhere to go and something important to do.

Everybody is good at something. The Possabilities Employment Team will help you to find out what you are great at and help you to work on the things that you need to improve.

Do you feel like you want to get 'work ready'? Then get in touch and we will help you work your way into a job...and all of our help and guidance is **FREE**.
